RE: Alamosa County Variance Request from portions of Executive Order D 20 044 and
Public Health Order 20-28

Dear Ms. Vieira:

Thank you for your application to the Colorado Department of Public Health and Environment (CDPHE) requesting a variance to portions of Executive Order D 20 044 Safer at Home and Public Health Order 20-28 Safer at Home. I have had an opportunity to review your request and consider the information provided.

We would like the opportunity to continue to monitor data related to the agricultural facility outbreaks in Alamosa and the surrounding region before making a final determination on your variance request. We look forward to continuing to work with you and your team over the coming days and weeks and support you in determining a path forward.

I appreciate your thoughtful approach to these challenging issues, and wish you all the best in your continuing efforts to ensure that Alamosa County residents are safe and healthy as we deal with this global pandemic. Alamosa County is a valued partner, and we are available to answer any questions and work with you on these matters. Please give me a call if you have any questions.

Sincerely,

Jill Hunsaker Ryan, MPH
