</tbody>
</table>
## OFFICE-BASED BUSINESSES

Open with restrictions: May 4

50% in-office occupancy, with strict precautions and telecommuting maximized

### WORKSPACES

- Ensure a minimum of 6 feet of space between all desks/workspaces
- Modify flow of people traffic to minimize contacts (e.g., doors for entry or exit only)
- Conduct office cleaning with increased frequency and supplement with high-frequency sanitization of high-touch areas (e.g., doors, stairwell handles, books, light switches, elevator switches and buttons, etc.)  (Additional Guidance)
- Ensure proper ventilation
- Provide employees with sanitization products and guidance on daily workspace cleaning routines
- Post signage for employees and customers on good hygiene and new office practices, and make regular announcements to remind employees and/or customers to follow distancing guidelines
- Encourage the use of digital files rather than paper formats (e.g., documentation, invoices, inspections, forms, agendas)
- Ensure clear planning, preparedness and organization in the workplace. This includes assigning a COVID coordinator to facilitate planning and communication, developing a plan for resources like cleaning supplies and internal regular (daily or weekly) communication, planning for employees to be out of the office for quarantine or caring for others, and considering how new precautions will impact workflow, etc.

### PRACTICES AND EMPLOYEES

- Maintain in-office occupancy at no more than 50% of total at one time by maximizing use of telecommuting and developing in-office rotation
- Allow for flexible work schedules, where possible, to lessen the need to be in the office during normal business hours. This could include allowing employees to work evenings or weekends when the office is traditionally less crowded or closed schedules.
- Conduct daily temperature checks and monitor symptoms in employees, for businesses with 25 employees or greater. Smaller businesses ask employees to do self-temperature and symptom check at home daily before coming in to work. Refer symptomatic employees to the [CDPHE Symptom Tracker.](http://cdphe)  (Additional Guidance)
- Minimize the number of in-person meetings and maintain adequate 6-foot distancing in those meetings. Use online conferencing, email, or the phone instead of in-person meetings, even when people are in the same building, whenever possible
- Provide flexible or remote scheduling for employees who need to continue to observe Stay-at-Home, who may have child or elder care obligations, or who live with a person who still needs to observe Stay-at-Home due to underlying condition, age, or other factors
- Provide guidance and encouragement on maintaining 6 foot distancing and taking breaks to wash hands
- Require gloves and face coverings or masks for any interactions with other individuals (e.g. customers, co-workers, vendors)  (Additional Guidance)

### TO PROTECT CUSTOMERS (IF APPLICABLE)

- Implement 6-foot distancing measures (e.g., marked space in checkout lines)
- Strongly encourage or require use of face coverings or masks.
- Provide hand sanitizer at entrances and other high-traffic locations
- Implement hours where service is only provided to people at higher risk of severe illness from COVID-19, if possible. Enhance precautions during these hours.

This section includes but is not limited to:

- Accountants and accounting firms
- Architecture, engineering and land surveying businesses/firms
- Landscape architect businesses/firms
- Land surveyor businesses/firms
- Private investigator businesses
- Fantasy contest operator businesses
- Non-transplant tissue banks
- Appraisal management companies
- Real estate offices
- Other corporate offices and private firms
**CHILD CARE FACILITIES**

Open with restrictions

*This allows additional facilities to open or expand as increased workforce returns.*

**EDUCATION P-12**

Remote remote learning for the rest of the school year, with very limited exceptions

Buildings can be used for providing services to students, educators, and families. P-12 schools and school districts intending to provide these services, which may include in-person small group instruction; staff professional development; food service; access to internet, devices, or instructional materials and equipment; special education services; or mental health supports, must work in coordination with their local public health agency and must observe Social Distancing Requirements as required by applicable public health orders.

Additional resources and guidelines:

- Colorado Department of Education COVID-19 Resources for Schools
Maximize remote learning with very limited exceptions

Exceptions to remote learning only for specific learning opportunities that are not conducive to remote instruction, including certain clinical, occupational, and career and technical programs, to be determined by the Colorado Department of Higher Education (CDHE). Institutions wishing to conduct in-person learning in the above categories must obtain approval from the Department of Higher Education. Institutions should consider recommendations below.

### Workspaces

- Ensure 6-foot distance between all students, faculty, and staff wherever possible
- Limit, wherever possible, the sharing of equipment and other resources
- Ensure classes allow for appropriate physical distancing
- Restrict group gatherings outside of classes, social or otherwise, unless pre-approved
- Conduct increased cleaning of campus spaces in accordance with CDPHE guidance (Additional Guidance)
- Ensure ventilation of classroom and office spaces meets OSHA guidance
- Post signage for staff and students on hygiene and safety measures
- Develop heightened procedures to maintain cleanliness of any on-campus housing and to stagger access to shared areas (consider leveraging existing RA programs)
- Increase capacity of campus health facilities and personal protective equipment
- Develop protocols for how to treat symptomatic students including guidance on how to self-isolate and self-quarantine, whether to leave campus to return home, depending on travel requirements, etc.
- Campus recreational services including gyms remain closed
- Ancillary student services including bookstores, other retail and food, maintenance, etc. to follow relevant industry guidelines

### Employees/Faculty

- Conduct daily temperature checks and monitor symptoms in employees and refer symptomatic employees to the CDPHE Symptom Tracker (Additional Guidance)
- Require use of face coverings or masks whenever possible; extend separation to 12 feet if lecturing without a mask (Additional Guidance)
- Require frequent handwashing upon arrival, departure and throughout the day, and have hand sanitizer available in public areas
- Require faculty and staff to stay home if showing any symptoms or signs of sickness
- Encourage all employees not critical to in-person operations or not classified as essential employees to continue working from home / remotely
- Limit non-essential travel for faculty and staff and implement 14-day self-quarantine measures when travel does occur

### To Protect Students/Visitors

- Restrict all non-essential visitors
- Conduct symptom checks for any essential visitors who will interact with students
- Provide clear communications on COVID-19 symptoms and implement social contracts with students to acknowledge that they are symptom-free if on campus
- Update student Codes of Conduct to influence responsible on- and off-campus behavior
- Leverage all student communication channels to educate and reinforce responsible behaviors
- Require students showing symptoms to report symptoms to campus health for instruction on next steps
- Require students and visitors to wear face coverings or masks
- For students who require on-campus housing, limit to one student per room, if possible
- Restrict all study-abroad programs and limit non-essential travel during scheduled breaks
- Monitor student self-quarantine after essential travel or potential exposure
- Ensure physical distancing in student lounges and common areas

This section includes:

- 2- and 4-year institutions, both public and private
- Private religious institutions authorized by the CDHE
- Private occupational schools
- Career and technical education programs

Additional resources and guidelines:

- Colorado Department of Higher Education COVID-19 Resources
FIELD SERVICES AND REAL ESTATE

Open with restrictions: April 27

Many of these services were deemed essential. This allows additional services to open or expand as increased workforce returns.

<table>
<thead>
<tr>
<th>EMPLOYEES</th>
<th>TO PROTECT CUSTOMERS</th>
</tr>
</thead>
</table>
| ● Adhere to all general rules or guidance on social gathering limitations when working in the field, including in someone’s business or personal home  
● No meetings, showings, appraisals, consultations or gatherings of more than 10 people; these should be conducted remotely  
● Implement procedures for field-based employees to monitor for symptoms and report to management daily on health status. Refer symptomatic employees to the CDPHE Symptom Tracker. (Additional Guidance)  
● Maintain 6 foot distancing from other employees and customers  
● Require gloves and face coverings or masks for any in-person interactions or work being done in third-party homes or office spaces  (Additional Guidance)  
● Change gloves between customers  
● Inquire whether third-party homes have symptomatic individuals or individuals who have contact with known positive cases and, if they do, cease any in-person interaction and limit any in-home activities to only those which are critical and can be done without risk to service provider  
● Maintain detailed log of customer interactions to enable contact tracing (if ever needed)  
● Prioritize remote work and/or personal protective equipment for people at higher risk of severe illness from COVID-19  
● Sanitize high-touch surfaces and tools or equipment after each customer visit  (Additional Guidance)  
● Provide guidance and encouragement on personal sanitation including frequently washing hands  
● Require service providers to stay home if showing any symptoms or signs of sickness of if they have had contact with a known positive case  
● For real estate: no open houses and no food or beverage offered during showings  | ● Provide estimates, invoices, and other documentation electronically (no paper)  
● Seek contactless payment options (whenever possible)  
● Maintain 6-foot distancing  
● Use face coverings or masks  
● For transportation network companies, limo services and call-and-demand transportation riders, only request for necessary travel and wash hands before and after ride |

This section includes but is not limited to:

- Real estate, including marketing services
- Lawncare and landscaping
- House cleaning, including carpet cleaning and window cleaning
- Electricians and plumbers
- Handyman services
- General contractors, tile setters, carpenters, construction
- Home inspectors
